But it's a different kind of energy  
Maybe I'm just tripping, maybe you're just  
teasing  
All I need is a reason, oooh  
But tonight is just the right time  
I got freaky \*\*\* on my mind  
Hope you feeling the same,  
Feeling this too strong, girl it's on

Chorus:

I'm about press send,  
I'm talking to my best friend  
Since I don't know what I into  
I don't know if it's the right thing to do  
I don't wanna feel different  
Rolling with my best friend  
Yeah, yeah, I was told that something like this could  
happen  
When you make the opposite your best friend  
Oh-oh oh-oooh  
Oh-ooooh-oh-oooh yeah  
When you make the opposite your best friend

I'm sitting outside of your house  
Ready to tear that thing out  
It's hard to say how I feel about it the next day  
I can tell from your texts now,  
That you're ready to have s\*x now  
You say you undressing, about to relax  
Guarantee it's going down now  
Ooooh  
I've been knowing you for a long time,  
Never had a thing on my mind  
Maybe she's delirious, maybe I'm just curious

Chorus:

I don't know, I'm about press send,  
I'm talking to my best friend  
Since I don't know what I into  
I don't know if it's the right thing to do  
I don't wanna feel different  
Rolling with my best friend

Yeah, yeah, I was told that something like this could  
happen  
When you make the opposite your best friend  
Oh-oh oh-oooh  
Oh-ooooh-oh-oooh yeah  
When you make the opposite your best friend  
Oh-oh oh-oooh  
Oh-ooooh-oh-oooh yeah  
When you make the opposite your best friend

Boom clap, boom, boom clap  
Boom clap, boom boom clap  
You win, you win or either you lose  
When you make the opposite your best friend  
Either way, itâ€™s a chance lâ€™s ma take  
Hod out the game, itâ€™s a lot at stake  
You win, you win or either you lose  
When you make the opposite your best friend

Oh-oh oh-oooh  
Oh-ooooh-oh-oooh  
Best friend, best friend,  
Opposites attract  
Oh-oh oh-oooh  
Oh-ooooh-oh-oooh  
When you make the opposite your best friend  
Best friend, best friend, best friend, best friend  
When you make the opposite your best friend  
Oh-oh oh-oooh  
Oh-ooooh-oh-oooh  
Best friend  
When you make the opposite your best friend
