Ooh, yeah

It was just another day in the cruiser
Trying to keep my neighborhood safe
From the crooks and the robbers
And the speeders run away

So I crowd this pretty big one
My radar said she was going too fast
And then I turn my sirens on and pulled her over
I'm not surprised by the questions she asked, she said

(Mr. Officer, Mr. Officer)
(Tell me what have I done wrong?)
I said, "36-28-42 in a 30 miles road
Girl, it's wrong, you know you gotta"

(Assume the position)
(And put your hands up, where I can see)
(Want you to spread up, open wide)
I gotta take you in the 69 precinct

(Call me the body police)
(They call me the body police)
(They call me the body police)
I'm charging you of BTS, see, that's being too sexy

I get a call on my dispatcher
And when I get to the scene I saw the weapons
And I'm like, damn, what do I do?
Oh, I really wanna call up for backup

No, I think I'll take some by myself
Be my approach and we got into a tussle
That's when she reached for my piece and my holster
Now she gotta

(Assume the position)
(And put your hands up, where I can see)
(Want you to spread up, open wide)
I gotta take you in the 69 precinct

(Call me the body police)
(They call me the body police)
(They call me the body police)
I'm charging you of BTS, see, that's being too sexy

(I'm the officer of the body)
(I'm sworn to protect and serve)
And I have a probable cause
So go ahead and do a strip search
A strip search

It's time to read you your Miranda
You need to ride to the sexual propaganda
You're under my arrest, baby

(Assume the position)
(And put your hands up where I can see)
(Want you to spread up, open wide)
I gotta take you in the 69 precinct

(Call me the body police)
(They call me the body police)
(They call me the body police)
I'm charging you of BTS, see, that's being too sexy

(Assume the position)
(And put your hands up where I can see)
(Want you to spread up, open wide)
I gotta take you in the 69 precinct

(Call me the body police)
(They call me the body police)
(They call me the body police)
I'm charging you of BTS, see, that's being too sexy

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, whoo, whoo, whoo, whoo
