I feel you.. my skin and I  
.. start from the beginning  
..got me in a ...  
Stars are falling down form the Earth  
Eyes are speaking in exalted words  
And you're verdict call and it feel incredible.  
I can hardly see my way in this maze  
You're my love's...  
So let your mind travel as far as you can go  
Cause destiny is upon us  
I want you to breath for me  
Oh, breathe for me!  
Help me find a place...  
Hel me!  
Just breathe!  
Oh, breathe for me, uhoo baby  
I want you to breath for me  
Let mind go  
Let me follow oh, baby  
I don't wanna go away  
Let be breathe you, yes  
Oh, uhoo yeah, yeah, yes  
Let me breath, won't you breath  
Let me!  
Oh let it go, let it go, yes!  
Oh, oh, oh baby!
