Come on baby
Oh, yeah

I like the way you talk to me
Your words are as sweet as gold
And if you were ever wanna leave my world
My life would seem so cold

And I know you have someone
And I'll be patient
'Cause one day you will be mine
Take your time, yeah

I like the thoughts you're giving me
'Cause you're my destiny
One day I'll hold you in my arms
And you will, you'll give it to me

I like the thoughts you're giving me
'Cause you're my destiny, yeah
I really want you, baby

Girl every time I see your face
It feels like a sunny day
And if you wanted to be with me
I won't let you get away, yeah, yeah

'Cause I know that something's going on
But you don't have to hold on
'Cause I wanna be with you
Do you want me to?
You know a woman

A women like you is all I ever wanted
Out of all the riches in the world
I want you to be my girl

I like the thoughts you're giving me
'Cause you're my destiny
One day I'll hold you in my arms
And you will you'll give it to me

I like the thoughts you're giving me
'Cause you're my destiny, yeah
I really want you

I like the thoughts you're giving me
'Cause you're my destiny
One day I'll hold you in my arms
And you will, you'll give it to me

I like the thoughts you're giving me
'Cause you're my destiny, yeah
I really want you

I will run to the end of the world only for you
Baby this I'll do
I will run to the end of the world for you girl
You're all I want, and all I need

I like the thoughts you're giving me
'Cause you're my destiny
One day I'll hold you in my arms
And you will, you'll give it to me

I like the thoughts you're giving me
'Cause you're my destiny, yeah
I really want you

I like the thoughts you're giving me
'Cause you're my destiny
One day I'll hold you in my arms
And you will, you'll give it to me

I like the thoughts you're giving me
'Cause you're mine
