(Verse)

Roses, sun shines
Spring showers reminds me of you
Strawberry ice-cream
My dream when I think of you
Love you like a ocean breeze
I'mma take you high, spread your wings
Let's fly away, fly away
Ever since you laid your eyes on me
I see you with everything that's beautiful, beautiful

(Chorus)

Gratitude
Gratitude from me to you aha
So surreal
Ah how you make me feel
Let me express my gratitude

(Verse)

Jasmine blowin in the wind
The smell of you ah ha ah ha
Heartbeat, increase
When we meet it feels untrue
Let's take a trip out to sea
Where air is pure and life is free
Let's sail away, sail away
Ever since you laid your eyes on me
I see you with everything that's beautiful, beautiful

(Chorus)

Gratitude (oh baby)
Gratitude from me to you
It is so surreal (soâ€¦!)

Ah how you make me feel (make me feel)
Let me express my gratitude

(Verse)

Girl I never want this to end
Gratitude I feel within
So sexy, sophisticated
And to me you're so amazing

We can travel the seven seas
Or we can blow like a summer breeze
I'll do all these things for you
To show my gratitude yea

(Chorus)
Gratitude
Gratitude from me to you yea yea
So surreal
Ah how you make me feel
Let me express my gratitude
