Iâ€™m your director
Itâ€™s getting deep

Uh, yeah
Special, this night is going to be special
Talking good
I can hear every word youâ€™re saying to me
I hope you know youâ€™re dealing with a grown man
Iâ€™ll show you alright

[Verse 1:]

Driving in the fast lane
And my phone rings
I pick up and its you
Girl youâ€™re talking right like you owe one
Said youâ€™re looking for somebody to serve you
And I

[Hook:]

Gonna give it to you like Iâ€™m fresh out of jail
And I
Know weâ€™re all alone so its alright you can yell baby
Oh girl what a nigga gonna do-o
Wanna get into you-u
Make your body say oh-o

[Chorus:]

Girl you ainâ€™t gotta be ashamed that Iâ€™m making you
sound this way
Cause Iâ€™m, Iâ€™m not playing
Itâ€™s a grown ass man working on it
Wonâ€™t stop till I make you say whoa-oh-oh-oh
Girl you ainâ€™t gotta be ashamed that Iâ€™m making you
sound this way
Cause Iâ€™m, Iâ€™m not playing
Itâ€™s a grown ass man working on it
Wonâ€™t stop till I make you say whoa-oh-oh-oh

[Verse 2:]

When youâ€™re calling my name
That way
Makes me want to work harder

Make me stroke a little longer
Give you that fix a little stronger
Oh

[Hook:]

Lay you down like a nigga fresh out of jail
And I
Know weâ€™re all alone so its alright you can yell baby
Oh girl what a nigga gonna do-o
Wanna get next to you-u
Make your body say oh-o

[Chorus:]

Girl you ainâ€™t gotta be ashamed that Iâ€™m making you
sound this way
Cause Iâ€™m, Iâ€™m not playing
Itâ€™s a grown ass man working on it (its real girl)
Wonâ€™t stop till I make you say whoa-oh-oh-
Girl you ainâ€™t gotta be ashamed that Iâ€™m making you
sound this way
Cause Iâ€™m, Iâ€™m not playing (doing you, feel me)

Itâ€™s a grown ass man working on it (I ainâ€™t goin
nowhere)
Wonâ€™t stop till I make you say whoa-oh-oh-oh

[Verse 3:]

Oh, oh, oh, oh
Canâ€™t get your leg to stop shaking
Its like your worn out from this back breaking
So now that weâ€™re done
Iâ€™ll (grind it back)
Oh take you to the bed (then kiss your back)
If you hear what I said (then girl relax)
Itâ€™s like
Oh, oh, oh, oh
Lil mama show me how you move it
Go ahead put your back into it
Do your thing like there ainâ€™t nothing to it
Oh, yeah
This is how grown men make love
If youâ€™re moaning
Girl you ainâ€™tâ€¦

[Chorus:]

Girl you ainâ€™t gotta be ashamed that Iâ€™m making you
sound this way
Cause Iâ€™m, Iâ€™m not playing (Iâ€™m not playing)
Itâ€™s a grown ass man working on it (canâ€™t no little boy
do you like this)
Wonâ€™t stop till I make you say whoa-oh-oh-oh (donâ€™t

be scared)
Girl you ain't gotta be ashamed that I'm making you
sound this way
Cause I'm, I'm not playing (I'm right here)
It's a grown ass man working on it
I'm gonna finish what I started, I'm gonna get mine
regardless
Won't stop till I make you say whoa-oh-oh-oh
Girl you ain't gotta be ashamed that I'm making you
sound this way
Cause I'm, I'm not playing (I'm ready for you to do
what I gotta do)
It's a grown ass man working on it (oh, oh, oh)
Won't stop till I make you say whoa-oh-oh-oh
Girl you ain't gotta be ashamed that I'm making you
sound this way
Tell the neighbors cause I don't care if they hear
whats goin on in here
Cause I'm, I'm not playing
It's a grown ass man working on it (cause I'm grown
and I can do what I wanna do)
Won't stop till I make you say whoa-oh-oh-oh

Oh, oh, oh...
