Feelin' like I want some more
Feelin' like I want some more
Feelin' like I want some more
Feelin' like I want some more

Feelin' like I want some of your love
Feelin' like I want some more

You got me open like a liquor store
Love's so strong that I don't want no more
I can't describe the way you got me shook
You're like a drug, girl, you got me hooked

You're the queen I see in my dreams
Wanna taste some of your ice cream
I can't describe the way you got me shook
You're like a drug, girl, you got me hooked

My boy's say I'm trippin' but I'm like so
'Cause you got me open, I don't care who knows
When it comes to you, baby, anythin' goes
You're just like that drug that they smoke

You got my mind twisted an' all tied up
From your conversation an' gentle touch
What ever you want, baby, never too much
Baby, sit back an' let me take a puff

You got me open like a liquor store
Love's so strong that I don't want no more
I can't describe the way you got me shook
You're like a drug, girl, you got me hooked

You're the queen I see in my dreams
Wanna taste some of your ice cream
I can't describe the way you got me shook
You're like a drug, girl, you got me hooked

You got me hooked, hooked, hooked
You got me hooked, hooked, hooked
You got me hooked, hooked, hooked
You got me

I don't even smoke but that's quite alright
'Cuz when you with me it's like a natural high
Just like Marvin Gaye touchin' his keyboard
When you touch me you make me say, "Oh, Lord"

Girl, you got every little bit of my soul
Makin' it hard for me to gain control
Even when I try to tell myself no
There's a little voice sayin' one more

I'm on these streets, I'm on these streets
Like a zombie, lookin' for you
Lookin' for you, yeah
Come rescue me, baby, baby, baby

You got me open like a liquor store
Love's so strong that I don't want no more
I can't describe the way you got me shook
You're like a drug, girl, you got me hooked

You're the queen I see in my dreams
Wanna taste some of your ice cream
I can't describe the way you got me shook
You're like a drug, girl, you got me hooked

You got me hooked, hooked, hooked
You got me hooked, hooked, hooked
You got me hooked, hooked, hooked
You got me hooked

Check, I'm like thinkin' about you all day an' huh
I been wantin' you in a strong way an' huh
Ain't nobody do it like you do me
Dat kinda lovin' make a thug say, "Ooh wee"

A old sayin', 'When it rains, it pours'
An' I ain't never in my life felt this way before
Baby, girl, you the only one that I adore
You're up one in the game, let me settle the Score

What is this that you put on me?
I'm so gone an' I cannot sleep
I can't eat an' I feel so weak
I don't need it but it's callin' me

You're my love addiction I cannot kick
Baby, I'm feelin' for another hit
One more time, girl, I swear that's it
This love, this love

You got me open like a liquor store
Love's so strong that I don't want no more
I can't describe the way you got me shook
You're like a drug, girl, you got me hooked

You're the queen I see in my dreams
Wanna taste some of your ice cream
I can't describe the way you got me shook
You're like a drug, girl, you got me hooked

You got me hooked, hooked, hooked
You got me hooked, hooked, hooked
You got me hooked, hooked, hooked
You got me hooked

Girl, I don't care what people say
I want you more everyday
It's like a strange premonition
But you got me on a mission

Yes, I been searchin' high an' low
