I'm not perfect, I'm human

I see, I touch  
I smell, I taste  
I hearin that's what makes me just like you

I dream when I'm thirsty  
Eat when I'm hungry  
Lay you down when I'm sleeping  
And that's how I'm just like you yea  
Oh oh and here's is how we're different yea

I admit I make mistakes  
And I don't mind telling you I'm sorry  
I drop my pride  
'Cause I know I'm only human  
I'm only human  
I'm only human  
And I don't mind telling you I'm sorry  
I drop my pride 'cause I know

I talk, I text  
I surf the net  
And I love having good sex  
And that makes me just like you  
Uh baby yea  
And I don't like liars  
But sometimes I lie  
And I don't like crying  
But sometimes I cry  
Like you

But here is how we're different baby  
See we often make mistakes  
And I don't mind  
Forgiving when you're sorry  
I drop my pride 'cause I know I'm only human  
Oh baby  
I'm only human  
I know that I'm not perfect  
I'm only human

And I don't mind  
Forgiving when you're sorry  
I drop my pride  
I'm only human  
Yes, I am

Oh baby  
I'm only human  
Oh I know that I'm not perfect  
I'm only human  
And I don't mind telling you I'm sorry  
I drop my pride  
All I know is I'm only human  
Go on and talk about it now  
I don't mind  
One thing I know for sure  
Baby I make mistakes  
Over and over yea, over and over yea  
Over and over again  
I drop my pride  
So do you too  
But I forgive you baby, yes I do  
I don't mind  
So I hope that you understand  
I'm only human  
I drop my pride  
Humanâ€¦  
I'm not perfect
