La da da da...ohh ohhh!  
I want you baby.

Tell me...  
I wanna know if you want me baby (baby)  
Tell me, babe  
Tell me (girl)...  
Do you feel the need for love  
(come closer babe)

Every night I just dream, about you  
I try to hold myself together,  
but there's so much that I  
I wanna do  
Being with you everyday  
is so beautiful,  
that's why I want you to let me know..

CHORUS  
Do you want me  
I wanna know if you want me baby (baby)  
tell me babe...  
do you need me  
Do you feel the need for love  
(I want to know)  
I wanna know if you want me baby  
(Do you need me)  
Do you feel the need for love

I like when you just sit there and you call my name  
(call my name babe)  
that let me that I am on top of, (top of) my name (my  
game)  
fantasizing on my job, yeah everyday (everyday)  
can't wait to go home so I can love you (love you)  
In different ways...Oooh Yeah!

CHORUS

BREAKDOWN

Is it me that you want babe  
because you're all that I need  
I get excited when I think about you baby  
So don't leave me  
Don't leave me! No, no!  
baby, please  
don't leave me.

I want you lady  
I want you  
I want you, yeah  
I want you baby, oh, oh ohhhhhh....

CHORUS
