La da da da...Ohh Ohhhh!
I want you baby.

Tell me...
I wanna know if you want me baby (baby)
Tell me, babe
Tell me (girl)...
Do you feel the need for love
(Come closer babe)

Everynight I just dream, about you,
I try to hold myself together,
But there's so much that I,
I wanna do.
Being with you everyday
Is so beautiful,
That's why I want you to let me know....

Do you want me?
I wanna know if you want me baby (baby).
Tell me babe...
Do you need me?
Do you feel the need for love?
(I wanna know)
I wanna know if you want me baby
(Do you need me?)
Do you feel the need for love.

I like when you just sit there and you, call my name (call
my name babe)
That let me know that I am on, top of, (top of) my game
(my game).
Fantasizing on my job, yeah, everyday (everyday).
Can't wait to go home so I can love you (love you),

In different ways...Oooh Yeah!

Do you want me?
I wanna know if you want me baby (baby).
Tell me babe...
Do you need me?
Do you feel the need for love?

(I wanna know)
I wanna know if you want me baby
(Do you need me?)
Do you feel the need for love.

[BREAKDOWN]

Is it me me that you want babe?
Because you're all that I need,
I get excited when I think about you, baby.
So don't leave me!
Don't leave me! No, No!
Baby, please!
Don't leave me.

I want you lady!
I want you!
I want you, yeah!
I want you baby, Oh, oh, ohhhhhhh....

Do you want me?
I wanna know if you want me baby (baby).
Tell me babe...
Do you need me?
Do you feel the need for love?
(I wanna know)
I wanna know if you want me baby
(Do you need me?)
Do you feel the need for love.
