[Avant]  
Oehh oyy,  
Yeahh yeahh

[Avant - Verse 1]  
Baby I know  
When we started out there were things you didn't know  
But babygirl we got a lotta things we need to discuss  
I know I'm asking for allot but just trust  
You say that things gettin old sneakin' round creepin'  
And love on the low but babygurl  
I can't wait till' It's officially us  
Can't wait to Let them know about us.

[Nicole]  
First I thought that I could take you boy but I don't know  
You told me you were gonna leave her for me long ago.

[Avant]  
Eventually I will but I just gotta take it slow  
Don't wanna break her heart although I gotta let her go  
So baby...

[Avant - Chorus]  
So please don't say you wanna give up.  
How do I tell her that I'm fallen in love,  
And I know your waiting patiently for that day,  
When we no longer have to lie about us.  
When I'm with her all I want is your touch,  
And when you call me I don't wanna hang up,  
And I know I say it often but I can't wait  
Till' we no longer have to lie about us.

[Avant - Verse 2]  
Baby I know the situation don't seem fair to us both.  
But babygirl, she's an issue that I'm bout to adjust.  
Don't mistake the love is ment for just us,  
You are my soul, mind, body, spirit all that I know.  
But babygirl, I can't wait till' it's officially us,  
I can't wait to tell the world about us.

[Nicole]

First I thought that I could take you boy but I don't know  
You told me you were gonna leave her for me long ago.

[Avant]

Eventually I will but I just gotta take it slow  
Don't wanna break her heart although I gotta let her go

So babyyyyyyyyy

[Avant - Chorus]

So please don't say you wanna give up (please don't  
say).  
How do I tell her that I'm fallen in love (oeehhh oohh).  
And I know your waiting patiently for that day,  
When we no longer have to lie about us (no longer have  
to lie).  
When I walk around all I want is your touch (oeehhh  
oohh),  
And when you call me I don't wanna hang up (baby you  
don't),  
And I know I said it often but I can't wait  
Till' we no longer have to lie about us.

[Avant - Bridge]

Baby won't you wait, just a little bit  
For just a little bit  
Me just a little bit longer, longer (oehh)  
Wait, just a little bit  
For, just a little bit  
Me, just a little bit longer, longer

I want you to wait, just a little bit

For, just a little bit  
Me, just a little bit longer, longer  
Wait, just a little bit (Oh)  
For, just a little bit (Yeah)  
Me, just a little bit longer, longer

[Avant - Chorus ]

Baaaaby, so please don't say you wanna give up,  
How do I tell her that I've fallen in love (how do I tell my  
baby).  
And I know your waiting patiently for that day,  
When we no longer have to lie about us (no longer have  
to lie about us).  
When I'm with her, all I want is your touch  
And when you call me I don't wanna hang up (oeehh  
oohh oo).

And I know I say it often but I can't wait  
Till' we no longer have to lie about us. (No longer have  
to lie)

So please don't say you wanna give up, (don't say it)  
How do I tell her that I've fallen in love (how do I tell my  
baby).

And I know your waiting patiently for that day,  
When we no longer have to lie about us.  
When I'm with her, all I want is your touch  
And when you call me I don't wanna hang up (oeehh  
oohh oo).

And I know I say it often but I can't wait  
Till' we no longer have to lie about us.

[Avant & Nicole - Bridge]

Baby won't you wait just a little bit, just a little bit, just  
(baby) a little bit longer,  
Just a little bit, just a little bit, just a little bit, (baby  
I'mma wait)  
Just a little bit, just a little bit, (Maybe just a little bit  
longer, longer)  
(W I I l y o u w a I t)  
Just a little bit, just a little bit, just a little bit, longer.

[Avant - End Fading Away]

Just a little bit  
Just a little bit  
Just a little bit  
Just a little bit  
Just a little bit  
Just a little bit
