yeah ma
love couldn't be better
my hands under your skirt
but love hurts worst

Troy-
look baby me and you is like Jay-z & Beyonce
I want you to be more than my Fiance
Want you to be Wifey
blind so many gurls be''cause ya wrist so Icey
I know ya wid me be''cause you like me
1st meet ya heart wuz on hold ,but

wid me love is under control
and your more than any average chick
booty shaped like you from one of those porno flicks
tha way you walk damn gurl your so sick
hypnotized me tha way you moved dem hips
get you horny when I like my lips
my words are getting short
