You & I,  
Such a pair, if  
You would stop,  
Stop running from what's real.  
You call 'em dreams, but  
They can hear you,  
Searching for love,  
When it's standing right here.

Why would you choose  
To reach out your hand,  
For all those empty promises?  
You should understand  
That you deserve better than,  
Than them.

I'm the only one that really loves you babe,  
Why you wanna take it all away?  
Cause you're steady chasing after Mr Dream.  
I'm the only one that really loves you babe,  
Can't you feel me running through your veins?  
Cause you're steady chasing after Mr Dream.

Come over here girl,  
He can't love you girl.  
Come over here girl,  
If he don't wanna love you girl.

Look at you,  
Pulling your hair out,  
Losing sleep,  
Cause he never comes through.  
When I've been here, but  
You don't acknowledge,  
Reaching mine-  
I know you better than you do.

Why would you choose  
To reach out your hand,  
For all those empty promises?  
You should understand  
That you deserve better than,

Than them.

I'm the only one that really loves you babe,  
Why you wanna take it all away?  
Cause you're steady chasing after Mr Dream.  
I'm the only one that really loves you babe,  
Can't you feel me running through your veins?  
But you're steady chasing after Mr Dream.

I wish that we could fly away.  
I'll take you from your misery.  
Girl I read your story, and it says  
Wanna dance in the sun,  
But you're chasing after the wrong one.

I'm the only one that really loves you babe (he  
can't love you)  
Why you wanna take it all away? (Like I love you)  
Cause you're steady chasing after Mr Dream (no,  
no, no).  
I'm the only one that really loves you babe (only  
one that loves you babe),  
Can't you feel me running through your veins?  
(Can't you feel me?)  
But you're steady chasing after Mr Dream.

I'm the only one that really loves you babe (he  
can't love you)  
Why you wanna take it all away? (Like I love you)  
Cause you're steady chasing after Mr Dream  
(chasing after Mr Dream).  
I'm the only one that really loves you babe (I'm  
your reality),  
Can't you feel me running through your veins?  
(He's just your fantasy baby)  
But you're steady chasing after Mr Dream.

Come over here girl.  
He can't love you girl.  
Come over here girl.  
If he don't wanna love you girl.

Come over here girl.  
He can't love you girl.  
Come over here girl.  
If he don't wanna love you girl.
