[Avant]

I'm doin' this for all my ladies
I know you thinkin' yo it sound a lullaby right?
Bone Thugs-N-Harmony, A-V we so sick
We about to do this REMIX!!
Radio play this

[Krayzie Bone]

On the highway and it's Friday
In my big truck tryna get home to you
Stop and get a bottle to pop
I'll be off in the night time when we do what we do
Best part of my day is when we rollin' it up
And we blowin' and we zonin'
Feelin' the buzz, plus the love
Up till early in the morning
Bone Thugs, that's right
Let's go have some fun, in-the-bed-room
All day (all day) and all of the night
I been workin'
Now daddy comin' home
And I'm lookin' for a little bit of action
I be comin' through wanna do that thang
Let me bless you with thug passion

[Chorus]

Girl when we, make, love all night
I mean we, make good love all night
When we, make, love all night
We really make love

[Wish]

On the way to my honnies
Leavin' the club and I'm off that henney baby
Hope a nigga understand that a nigga got a plan
And I really gotta see this lady
Charter plane in Cleveland
Hit up my thugs, let 'em know I'm leavin'
Four hours, windows tinted
Cause you know, how these hoes be creepin'

We off, and it's gonna get freaky
This weekend, off in my house
And I'm ready
Just hold it steady, I bet ya I break you off
Yes I'm slutty and you know
Thugs might get it rough I'm sorry
But dont know, you do what you do
When you drop that dress with that body
My God!

[Chorus]

[Layzie Bone]

Baby we did our thang off in the shower
Had me goin' a whole hour
Thought I was fair like I was a coward
When you hit the streets and you felt this power
Of the thang I swang, thangs won't change
And I need that lovin'
Feel me now baby, you got in the oven
All I need is kissin' and huggin'
All of the drama you can keep it
Ain't no secret, it's real deal
Walk-The-Walk
Girl gon' and shake that sex appeal
I'm still here
Always gon' be here, never gon' leave
Wanna get down with Steve?
And you my boo, ooh

[Bizzy Bone]

Cum at the same time
With you, with you, with you, with you, with you
Thick up inside you, gristle (ooh)
That's eight and half to nine in ya
Gushy like Niagara
Feelin' my spit ends
Amazed because I'm in between your thighs lickin'
And other people they be fightin'
And I rap fast, so what 'chu think I'm finna do with
??
One hundred and fifty five
Seventy one thousand got you paralyzed
Cummin' though she's flabbergasted
I'm Duracell, and others they just don't last
Hittin' the vehicle with homeboy A-vant
Let's mash, Cleveland call back

[Avant and Bizzy Bone]

It's the house, in the boat, in the jeep babe
In the tire, in the pool, or the beach babe

Get your groove on (gotta get cha groove on) get your
grove on

[Bizzy Bone]
I'ma make you love me baby

[Avant and Bizzy Bone]
It's the house, in the boat, in the jeep babe
In the tire, in the pool, or the beach babe
Get your groove on (gotta get cha groove on) get your
grove on

[Avant]
Baby do it to me!!

[Chorus 2x]

[Avant] And I love the way you feel Girl I love it Throw it
on the floor Girl I love it Throw it on the couch
