I know you thinking yo it sound like a lullaby right?
Bone Thugs N Harmony, Avant we so sick,
We bout to do this REMIX!
Radio Play this

Krayzie Bone:

Ahh, I'm on the highway and it's Friday
In my big truck trying to get home to you
Stop and get a bottle to pop
I'll be off in the night time when we do what we do
Best part of my day is when we rollin' it up
And we blowin' and we zonin'
Feeling the buzz, plus the love
Up Till early in the morning
Bone Thugs, that's right (That's right)
Let's go have some fun, in-the-bed-room
All day (All day) and all of the night
I been working
Now daddy coming home
And I'm looking for a little bit of action
I be coming through wanna do that thing
Let me bless you with thug passion

Avant:

Girl when we, make, love all night
I mean we, make good love all night
When we, make, love all night
We really make love x2

Wish:

On the way to my hunnies
Leaving the club and I'm off that henney baby
Hope a nigga understand that a nigga got a plan
And I really gotta see this lady
Charter plane in Cleveland
Hit up my thugs, let em' know I'm leavin'
Four hours, windows tinted
Cause you know, how these hoes be creepin'
We off, and it's gonna get freaky
This weekend, off in my house

And I'm ready
Just hold it steady, I bet ya I break you off
Yes I'm slutty and you know
Thugs might get it rough I'm sorry
But don't know ,you do what you do
When you drop that dress with that body
My God!!!

Avant:

Girl when we, make, love all night
I mean we, make good love all night
When we, make, love all night
We really make love x2

Layzie:

Baby we did our thing off in the shower
Had me going a whole hour
Thought I was fair like I was a coward
When you hit the streets and you felt this power
Of the thing I swing, things won't change
And I need that loving
Feel me now baby, you got in the oven
All I need is kissing and hugging
All of the drama you can keep it
Aint no secret, it's real deal
Walk-the-Walk
Girl gowan and shake that sex appeal
I'm still here
Always gonna be here, never gonna leave
Wanna get down with Steve?
And you my boo, ooh

Bizzy Bone:

Cum at the same time
With you, hit you, with you, with you, with you
Thick up inside you, gristle (ooh)
That's eight and half to nine in ya
Gushy like Viagra
Feeling my spit ends
Amazed because I'm in between your thighs licking
And other people they be biting
And I rap fast, so what cha think I'm finna do with
That one hundred and fifty five
Seventy one thousand got you paralysed
Cumming though she's flabbergasted
I'm Duracell, and others they just don't last
Hitting the vehicle with homeboy A-vant
Lets mash, Cleveland call back

Avant & Bizzy:

It's the house, in the boat, in the jeep babe

In the tub, in the pool, or the beach babe
Get your groove on (gotta get your groove on) get your
groove on

Bizzy Bone:
I'm a make you love me baby

Avant & Bizzy:
It's the house, in the boat, in the jeep babe
In the tub, in the pool, or the beach babe
Get your groove on (gotta get your groove on) get your
groove on

Avant:
Baby do it to me!

Girl when we, make, love all night
I mean we, make good love all night
When we, make, love all night
We really make love x2

And I love the way you feel
Girl I love it
Throw it on the floor
Girl I love it
Throw it on the couch
