You and I, such a pair if, you would stop, stop runnin'  
from what's real  
You call them dreams but they can't hear you, searchin'  
for love  
When it's standin' right here

Why would you choose to reach out your hand, all  
those empty promises  
You, should understand that you deserve better than,  
than that

Chorus

I'm the only one that really loves you babe  
Why you wanna take it all away  
Cause you steady chasin' after Mr. Dream  
I'm the only one that really loves you babe  
Can't you feel me runnin' through ya veins  
Cause you steady chasin' after Mr. Dream

Come over here girl  
He can't love you girl  
Come over here girl  
If he don't wanna love you girl

Verse 2

Look at you, pullin yo hair out, losin' sleep, 'cause he  
never comes through  
When I been here but you don't acknowledge, I read  
your mind, I know you better than you do, oh why

Why would you choose to reach out your hand, all  
those empty promises  
You, should understand that you deserve better than,  
than that

I'm the only one that really loves you babe  
Why you wanna take it all away  
Cause you steady chasin' after Mr. Dream  
I'm the only one that really loves you babe  
Can't you feel me runnin' through ya veins  
Cause you steady chasin' after Mr. Dream

I wish that we could fly away, take you from your  
misery  
Girl I read your story and it says, wanna dance in the  
sun  
But you're chasin' after the wrong one

Chorus 2x

I'm the only one that really loves you babe  
Why you wanna take it all away  
Cause you steady chasin' after Mr. Dream  
I'm the only one that really loves you babe  
Can't you feel me runnin' through ya veins  
Cause you steady chasin' after Mr. Dream

Come over here girl  
He can't love you girl  
Come over here girl  
If he don't wanna love you girl (2x)
