(Avant)

Silhouette of a perfect frame

Shadows of your smile, will always remain(always remain)

Beginners love, soon fades away ah baby

We go on, I will always

[Chorus](Avant & Girl)

(long as I live)long as I live

You will be my(my first love)

Ah baby, you and only

(long as i live)long as I live

(My first love)

You will be my first love

And i choose you again.

(Keke Wyatt)

I'll keep an old candy-coated, valentine

Memories of you, you when you were mine

A tarnished ring, on a tarnished chain

Times keep changing,come sun or rain

[Chorus](Keke Wyatt & Girl)

(long as I live)long as I live

You will be(my first love)

My first love, and my only love,love

(long as i live)long as I live

(My first love)oooh

You will always be my

Only my first love

(Avant)

See as long as i live

(long as I live)
