Verse 1:

Something tells me that you were rebelling
Although we know you have to slip away
Part of your routine repeating the same thing
(No sleep just sweat, no rest)

Bridge:

(Have my life)
You are my vice and you got my control
(You make it right)
Always a surprise the way it unfolds
I know I'm not the only one you love boo
The other half of the world is missing you
Up in the bar
Showing the stars, roll out the fancy car

Chorus:

(Nightlife)
When you roll out the drop when the sun goes down
and i
buy another round
(Nightlife)
When the girls come in pairs, pressures so thick you
can feel it in the air
(Nightlife)
Its getting late, last call but I don't care
I'm ready to go (no)
Its out of control (ohh)
That's why I'm married to nightlife

Verse 2:

Waking up late, with you on my mind
Don't know what happened to me yesterday
Shake it off cos you put it on me
I don't wana loose so I guess I'm ready for round two
I'm so involved when it comes to you
No sleep just sweat for rest

Bridge:

(Have my life)
You are my vice and you got my control
(You make it right)

Always a surprise the way it unfolds
You bring out the talent with everything you do
And nothing compares that's why I'm in debt to you
Open the bars, show in the stars
Bring out the fancy cars

Chorus:

(Nightlife)

When you roll out the drop when the sun goes down
and i

buy another round

(Nightlife)

When the girls come in pairs and pressures so thick
you

can feel it in the air

(Nightlife)

Its getting late, last call but I don't care

I'm ready to go (no)

Its out of control (ohh)

That's why I'm married to nightlife

Verse 3:

Dark and sweet, mysterious yet hard to keep a hold of

Cold and incidentally (ahh)

So still faithful on ya, help me escape my troubles

Romantic on the ready, another secret affair till dawn

Chorus:

(Nightlife)

When you roll out the drop when the sun goes down
and i

buy another round

(Nightlife)

When the girls come in pairs, pressure gets thick you
can feel it in the air

(Nightlife)

Its getting late, last call but I don't care

I'm ready to go (no)

Its out of control (ohh)

That's why I'm married to nightlife
