Wanna take you with me on a late night creep, girl  
That's what's up, that's what's up  
And while you're here', erase all your fears  
That's what's up, that's what's up

Wanna take you to the shower and spend about an  
hour  
That's what's up, that's what's up  
And hold and embrace and girl, I wanna taste, yes, oh,  
yes  
That's what's up, that's what's up

Over the phone is takin' to long  
I can't wait to see you so we can get it on  
It doesn't matter about the place  
It's goin' down when I see your pretty face

Over the phone is takin' to long  
I can't wait to see you so we can get it on  
It doesn't matter about the place  
'Cuz it's goin' down when I see your pretty face

It's goin' down, it's goin' down, it's goin' down  
It's goin' down, it's goin' down, it's goin' down  
It's goin' down, it's goin' down, it's goin' down  
It's goin' down, it's goin' down, it's goin' down

After the first one ends the fun will begin, yeah  
That's what's up, that's what's up  
I'm gonna give you somethin' to run and tell your  
friends  
That's what's up, that's what's up

Like gettin' freaky at the movies, I don't care if it's PG  
That's what's up, that's what's up  
In the elevator goin' down, shut it off so we can clown  
That's what's up, that's what's up

Oh, baby, oh, in the limo, listenin' to my demo  
Girl, close that middle window  
Do you want me to stop NO or the airplane?  
Where turbulence ain't no thang

I got the tool to make you scream my name  
It's goin' down, but

Over the phone is takin' to long  
I can't wait to see you so we can get it on  
It doesn't matter about the place

It's goin' down when I see your pretty face

Over the phone is takin' to long  
I can't wait to see you so we can get it on  
It doesn't matter about the place  
'Cuz it's goin' down when I see your pretty face

It's goin' down, it's goin' down, it's goin' down  
It's goin' down, it's goin' down, it's goin' down  
It's goin' down, it's goin' down, it's goin' down  
It's goin' down, it's goin' down, it's goin' down

In my H2 where the seat fold down like clothes  
I'm about to jump in the back row  
Girl, you make me curl my toes  
At your job, when everybody goes on break  
Let's steal the security tape 'cuz baby, I can't wait

Over the phone is takin' to long  
I can't wait to see you so we can get it on  
It doesn't matter about the place  
It's goin' down when I see your pretty face

Over the phone is takin' to long  
I can't wait to see you so we can get it on  
It doesn't matter about the place  
'Cuz it's goin' down when I see your pretty face

It's goin' down, it's goin' down, it's goin' down  
It's goin' down, it's goin' down, it's goin' down  
It's goin' down, it's goin' down, it's goin' down  
It's goin' down, it's goin' down, it's goin' down

I promise, I promise you  
I'm gonna take of you, yes I will  
Ooh, you just don't know, girl  
I promise, I promise, promise  
Oh, oh, this special thing I wanna do you  
Baby, just give me a chance, yeah, yeah

Ooh, you got my body just hangin'  
And I don't know how to start  
And I wanna shoot this thing to start  
Do you feel me? Yeah, baby, baby, baby

These things that I'm gonna do  
And I know you'll be happy, baby
