I've been waitin' to tell you this  
You are more than a man could ever want  
Wait a minute, just let me look  
Listen

(Snoop Dogg)  
Waking up together doing thangs that you wanna  
Hating on my lady cause you want to be my one  
I ain't gonna stop you if you do keep coming  
I'ma play the gat man and just keep on runnin'  
Yeah I got 2 sons and a daughter and a wife  
People think I live a luxurious life  
Im hollering atchu hollaback  
Yeah you wanna slide it back  
With a pimp macking your homies how you did that

(Avant)  
I stepped in the club in your hood  
I slowly turned left and there you stood  
You and your frinds talkin'  
But when our eyes connect I knew then

It was just like two ways on beam  
I'm your king, be my queen  
And whatever you wanna do tonight  
My truck is parked out front, so les ride

(Chorus 2x's)  
I can read your mind babe (oh)  
I know what your thinkin'(I know what your thinkin' baby)  
It's alright(with me)  
It's alright,yes (oh whoa)

So baby take a ride with me  
And I'll fufill all your fantasies  
And when the rain starts pouring down  
Then all the love thats lost will be found

I'll make your mind lose control  
Over your body, that's my goal  
So baby, just come down here  
Just let the gravity pull you near me

(Chorus 2x's)

I know you wanna rub, I know you wanna touch  
I know you wanna feel, so baby keep it real  
I know you wanna see I know you wanna be  
In my B-E-D grindin' slowly(2xs)

(Chorus)

(Snoop Dogg)

Sneaking in and out of rooms  
Every night's a honeymoon  
Only Dogg and everythings on the low  
I can't talk I won't talk even if I could  
Now when we do it everybody in your neighborhood  
Gon know about me and I can't be having that girl  
See cause my thing is hush hush plus I'm round the  
world  
I've been with housing girls, Asian girls  
A hundred thousand girls but them Spanish girls  
The coldest in the whole world  
I smile when you see me in and out your bikini  
Na I ain't drinking no Im'a pass on that martini  
But I have hit of that, pass it hit it , pass it back  
Dog see its cool here my girl taking care of that  
Matter fact walk with that, ya'll could roll with that  
See cause I'm rolling up a back, it's too small for the  
balls  
See I'm bausing(?) up and now I'm smoking now  
Now if your going with me, lets dip I'm rolling out

(Chorus 2x's)
