Da da da da da da  
Baby, da da da da da da  
You're my hopes, my dreams, my everything  
You're my sweet babe  
Oh oh oh oh oh oh, yeah

I wake up in a cold sweat  
(Why?)  
Because I haven't seen you yet  
I normally see you in my dreams  
(Dreams)  
I thought I heard you speak

Waiting for the day to end  
I'll be staring at your 8 by 10  
And as I lay me down to sleep  
(Down to sleep)  
It starts over again, yeah

Do you know I spend all day, all night  
(All day all night, all night all day)  
Thinkin' 'bout you, dreamin' 'bout you  
(Dreamin' 'bout you, babe)  
Do you know I spend most of my time  
(Yeah)  
Wishin' for you  
Don't even know, who just, how much that I'm feelin'  
you  
(I'm feelin' you, baby)  
Don't even know, who just, how much that I'm in love  
with you  
(I'm in love with you, oh oh oh)

When I see you in the street  
(I)  
I play it off real cool  
But when I get all alone  
(I)  
I feel like the fool

Remember in high school  
Writing love notes

You know how the game go  
(Check)  
If you want me, yes or no?

Do you know I spend all day, all night  
(All day)  
Thinkin' 'bout you, dreamin' 'bout you  
( 'Bout you, baby)  
Do you know I spend most of my time  
(My time)  
Wishin' for you  
(Wishin' for you, baby)  
Don't even know, who just, how much that I'm feelin'  
you  
(How much I'm really feelin' you)  
Don't even know, who just, how much that I'm in love  
with you  
(You don't know)

Stone play on, stone play on  
Play on  
It sounds so good to me, yeah  
Oh yeah  
You feel how I feel, oh  
I'm so confused because

She don't even notice me  
(Don't even know)  
Or do she really notice me?  
(Or do she)  
I got to see how she feels  
(My baby)  
Because baby, my love is real  
(Love is real)

Know I can't understand  
(Know I can't do)  
The way I feel 'bout you, babe  
(My lady)  
You're my inspiration  
(You're the one)  
And for you I'll never change it  
(My shinning star)

Do you know I spend all day, all night  
Thinkin' 'bout you, dreamin' 'bout you  
(Dreamin' 'bout you, baby)  
Do you know I spend most of my time  
Wishin' for you  
(You make me feel so good babe)  
Don't even know, who just, how much that I'm feelin'

you  
(Something is wrong)  
Don't even know, who just, how much that I'm in love  
with you  
( 'Cuz your not with me in my home)  
(I'm all alone)

Do you know I spend all day, all night  
(Did you know)  
Thinkin' 'bout you, dreamin' 'bout you  
(You're the only one I truly love)  
Do you know I spend most of my time  
(Did you know)  
Wishin' for you  
(These words are from heaven above)  
Don't even know, who just, how much that I'm feelin'  
you  
(Did you know)  
(You're the one I want in my life)  
Don't even know, who just, how much that I'm in love  
with you  
(Did you know)  
(If I had the chance)

I would make you my wife, saying  
Da da da da da da  
Baby, da da da da da da  
Da da da da
