[Verse 1]

I can't continue to act like
I don't wanna be here
When I know I do
Cause I'm really feelin' you (Feelin' you)
And you ain't tha type to sleep around town
Let niggas get down
And come up with this lame excuse (Excuse)
And I really love tha way you warm me up
Your..

[Chorus Pt1]

Your necessary like coats in tha Winter
Right here like cold in December (Outside)
And I need you like
Need you like Mo-Town need its slow beat
Somethin like oh baby baby
Oh baby baby

[Pt2]

Where I wanna be is with you
Wanna take you from tha things you used to
Cause only time I'm me is with you
And this feelin' ain't gonna change (No)
(Where I wanna be) Where I wanna be is with you
(Where I)
Wanna take you from the things you used to
Cause only time I'm me is with you
And this feelin' ain't gonna change (no)
I'm gon' stay with you

[Talking]

This is crazy girl
This feelin' that i get
This is tha way you make me feel
Uh come on

[Verse 2]

I'd rather chill at home witchu
Then to hang out wit my boys cause your tha truth
Your tha truth yea
Your tha truth huh

No trippin on another chick or where I've been
No need to stay up in tha streets and catch an
arguement
Cause your not like that at all
You put your lovin arms around me

[Chorus Pt1]

Your necessary like coats in tha Winter
Right here like cold in December (Just like cold in
December)

Need you like Mo-Town need its slow beat
Somethin like oh baby baby baby
It's where I wanna be

[Pt2]

Wanna take you from the things you used to
Cause only time I'm me is with you (Only time)
And this feelin' ain't gonna change (No, Cause When

Where I wanna be is with you
Take you from the things you used to
Cause only time I'm me is with you (Used to)
