Yes

Early in the morning (want you to jump on me)  
You aint gotta tell me nothing (cuz i know just what you wantin)

I dont see no sign telling me how far i can go  
So babe close your eyes and let me travel  
Down there, enter, you, with my.....oo baby

I wanna hear your body saying yes  
but you havent spoken to me ....yes  
But you shaking like a leaf on a tree....yes  
And it feels so good to me ...yes, ooh yes

I dont need no breakfast (if it means you have to get up)  
And i dont want no juice girl, (if it cumes in a cup)  
We got all day baby so we can take our time  
So baby just relax, let me recondition your mind  
When i do Down there, enter, you, with my.....oo baby

Let me hear your body....yes  
but you havent spoken to me ....yes  
But you shaking like a leaf on a tree....yes  
And it feels so good to me ...yes, ooh yes

Let me hear your body....yes  
but you havent spoken to me ....yes  
But you shaking like a leaf on a tree....yes  
And it feels so good to me ...yes, ooh yes

Its raining but i aint complaining cuz, I love the way it feels  
Its a feeling, gotta keep it real when im talking about the sex appeal  
Conversation, got me waiting patient for you each n everyday  
Keep talking, im gunna make you ? every word you say  
When i do Down there, enter, you, with my.....oo baby

You havent spoken....yes  
But your shaking like a leaf.....yes  
But it feels so good to me....yes

I can feel it speaking to me.....yes  
And i like it i like it baby...yes  
All night throught the day..yes  
yeah yeah yes, yes yes
