Just like Eve done to Adam  
(You got me)  
Temptation so strong  
I don't wanna even fathom  
(You got me)

I'm in quick sand  
With cement shoes  
(You got me)  
And like Lucille  
I'm singing the blues  
(You got me)

Girl you're my water  
Like my money  
You're my suga  
You got me

Girl your love flows through me  
And I can't keep my hands off you  
Girl you taste so damn sweet  
You got me

See you are the reason  
That I haven't turned my TV on  
(You got me)  
And you are the reason  
That I don't listen to love songs  
(You got me)

And you are the reason  
That I haven't ate in days  
(You got me)  
And you will be the reason  
That this man will fade away  
(You got me)

Don't you know don't you know  
I'm sitting around like a bump on a log  
Draggin my feet waiting for your call  
Mama called me about a quarter to nine  
(Can't answer)

Didn't answer her call don't wanna block my line

Girl you're my water  
Like my money  
You're my suga  
You got me

Girl your love flows through me  
And I can't keep my hands off you  
Girl you taste so damn sweet  
You got me

Listen there's a reason  
Why I'm feeling this way about you girl  
You got me going crazy  
Naw you just don't understand  
(A candle dinner)

You like eyes slipping  
(A candle dinner)  
Your rollers and hair pins  
(A candle dinner)

Your flowers and your balloons  
(A candle dinner)  
Your lotion and your perfume  
(A candle dinner)

The way you used to celebrate  
(A candle dinner)  
The times that you will make me wait  
(A candle dinner)  
The joy you brought to my home  
Now everything is gone

Girl you're my water  
Like my money  
You're my suga  
You got me

You got me  
You got me  
(You got me)

(You're my water)  
Girl your love flows through me  
(Like my money)  
And I can't keep my hands off you  
(You're my suga)  
Girl you taste so damn sweet  
You got me

It's alright  
It's alright  
It's alright
