(Intro)

Faceâ€¦

Faceâ€¦

(Verse)

I can tell that you getting me to get it on

And I am sure that I got what will make you moan

(Bridge)

We can leave this place

Maybe disappear for days

Hope it's something that you can relate to

'Cause I'm really feeling

The way, the ways we are

Yes, the way I lick your legs

Girl I'm so horny

I love getting down with you

(Chorus)

It don't matter if we're no longer on the ground baby

You let me know it's going down by the look on your

face yea oh

It feels good when I'm all up in it

Girl, I know that I'm with it

Your face, says it all

And I want it babe

(Verse)

I can see you're feeling every word you speak

And I believe we're falling in love with ease

(Bridge)

We can leave this place

Maybe disappear for days

Hope it's something that you can relate to

'Cause I'm really feeling

The way, the ways we are

Yes, the way I lick your legs

Girl I'm so horny

I love getting down with you

(Chorus)

It don't matter if we're no longer on the ground baby

You let me know it's going down by the look on your

face yea oh

It feels good when I'm all up in it

Girl, I know that I'm with it

Your face, says it all  
And I want it babe  
(Verse)  
After hours we'll be going  
Just imagine what it's bout to be  
Just you and me  
If you want it, girl I'm parked outside (let's go)  
I've waiting just to give you a ride (let's go)  
It don't matter it's a quarter to 5 (let's go)  
It's gon be mine tonight (let's go)  
I want it babe (aha aha)  
Gotta have it babe (aha aha)  
And I need it babe (aha aha)  
It's gon be mine tonight (aha aha)  
I want it babe (aha aha)  
Gotta have it babe (aha aha)  
I really need it babe (aha aha)  
It's gon be mine tonight girl
