(instrumental)

Some people live that selfish desire
Some choose to shout when they speak they'll be the
start

Guarding the flame of those deep in fire
Seeking out those with a voice
One for tomorrow

(They say we've lost our minds, we've just gained
control)

Search endlessly, fight 'till we're free
Fly past the edge of the sea
No bended knee, no mockery
Somehow we still carry on

(instrumental)

Silence your fear, we've got to move hihger
Unlock the stars in the sky
Guarding us all

Battle the will of those who conspire
Take back the passion to live, relish the sorrow

Destrys their perfect crime, watch the power fold

Search endlessly, fight 'till we're free
Fly past the edge of the sea

No bended knee, no mockery
Somhow we still carry on

(instrumental)

Search endlessly, fight 'till we're free
Fly past the edge of the sea
No bended knee, no mockery
Somehow we still carry on

Carry on
