

## Avenged Sevenfold "Critical Acclaim"

Visit "[Critical Acclaim](#)" on MotoLyrics.com

(Quiet, might piss somebody off)  
Like me motherfucker you've been at it for too long  
While you feed off all those insecurities  
You stand in front of me and bite the hand that feeds

Self-righteousness is wearing thin  
(Lies inside your head, your best friend)  
I'll bleed but not for fellow man  
(Broken glass, your fake reflection)

Telling them it's all for something real  
Don't respect the words you're speaking  
Gone too far, acclaim

So, how does it feel to know that  
Someone's kid in the heart of America has blood on  
their hands  
Fighting to defend your rights so you can maintain the  
lifestyle  
That insults his family's existence?

Well, where I'm from we have a special salute  
We wave high in the air towards all those pompous  
asses  
Who spend their days pointing fingers  
(Fuck you)

(Quiet, might piss somebody off)  
Like the heartbeat of this country when antagonized  
too long  
I'll be damned if you count me in as part of your  
Generous hypocrisy, collected in a maze

Tabloid gossip we want less real

(There's no need for us to bury you)  
Selfish agenda once again  
(Right this way, you dug your own grave)

Telling them it's all for something real  
Don't respect the words you're speaking  
Gone too far, acclaim

All the way from the east to the west  
We got this high society looking down on their very  
foundation  
Constantly reminding us that our actions  
Are the cause of all their problems

Pointing their fingers in every direction  
Blaming their own nation for who wins elections  
They never contributed a fucking thing  
To the country they love to criticize

Excuse the obscene, ignore the untrue  
Depictions we see, try and get through  
And many mistakes can hurt  
I'm not the last but I sure ain't the first  
(Quiet, might piss somebody off)

Self righteousness is wearing thin  
(Lies inside your head, your best friend)  
I'll bleed but not for fellow man  
(Broken glass, your fake reflection)

Telling them it's all for something real  
Don't respect the words you're speaking  
Gone too far, acclaim
