Yeah, you've been alone  
I've been gone for far too long  
But with all that we've been through  
After all this time I'm coming home to you

Never let it show  
The pain I've grown to know  
'Cause with all these things we do  
It don't matter when I'm coming home to you

I reach towards the sky  
I've said my goodbyes  
My heart's always with you now

I won't question why so many have died  
My prayers have made it through, yeah  
'Cause with all these things we do  
It don't matter when I'm coming home to you

Letters keep me warm  
Helped me through the storm  
But with all that we've been through  
After all this time I'm coming home to you

I reach towards the sky  
I've said my goodbyes  
My heart's always with you now

I won't question why so many have died  
My prayers have made it through, yeah  
'Cause with all these things we do  
It don't matter when I'm coming home to you

I've always been true  
I've waited so long just to come, hold you  
I'm making it through, it's been far too long  
We've proven our love over time so strong in all that we  
do

The stars in the night  
They lend me their light  
To bring me closer to heaven with you

But with all that we've been through  
After all this time I'm coming home to you

I reach towards the sky  
I've said my goodbyes  
My heart's always with you now

I won't question why so many have died  
My prayers have made it through, yeah  
'Cause with all these things we do  
It don't matter when I'm coming home to you

And with all that we've been through  
After all this time I'm coming home to you
