NIGHTMARE...!!!
(Now your nightmare comes to life)!

Drag you down below, down to the devil's show,
To be his guest forever (Peace of mind is less than
never)!
Hate to twist your mind, but God ain't on your side,
An old acquaintance severed (burn the world your last
endeavor)!

Flesh is burning, you can smell it in the air,
Điause men like you have such an easy soul to
steal(steal),
So stand in line while they ink numbers in your head,
you're now a slave until the end of time here,

Nothing stops the madness turning, haunting,
yearning, pull the trigger!

You should have known, the price of evil,
And it hurts to know that you belong here, yeah
OOooooohhh it's your fuckin' nightmare!
(While your nightmare comes to life)!

Can't wake up in sweat, Điause it ain't over yet,
still dancing with your demons (Victim of your own
creation)
Beyond the will to fight, where all that's wrong is right
Where hate don't need a reason (Love is self-
assassination)
You've been lied to just to rid you of your sight,
and now they have the nerve to tell you how to feel
So sedated as they medicate your brain and while you
slowly go insane the tell you:
"Given with the best intentions help you with your
complications!"

You should have known, the price of evil,
And it hurts to now that you belong here, yeah.
No one to call, everybody to fear,
Your tragic fate is looking so clear, yeah.

OOooooohhh, it's your fuckin' nightmare, ha-ha-ha-ha!

Fight (fight), not to fail (fail), not to fall (fall), or you'll
end up like the others.

Die (die), die again (die), drenched in sin (sin), with no
respect for another, Aargh!

Down (down), feel the fire (fire), feel the hate (hate),
your pain is what we desire.

Lost (lost), hit the wall (wall), watch you crawl (crawl),
such a replaceable liar.

And I know you hear their voices (coming from above),
And I know they may seem real (these signals of love),
But our life's made up from choices (some without
appeal),

They took for granted your soul, and it's ours now to
steal

(As your nightmare comes to live)!

You should have known, the price of evil,
And it hurts to now that you belong here, yeah.

No one to call, everybody to fear,
Your tragic fate is looking so clear, yeah.

OOooooohhh, it's your fuckin' nightmare!!!
