SKULL!

(They all know, they all know!)

Sorry, did I wake your dreams?
Some questions run to deep.
We only (only) wake up when we sleep.
Led by the lunar light, trouble's all we find
Lost our way tonight

Is it something we said?
Is it something we said to them?
Is it something we said!

(Save me)
Trapped in a vile world,
(Save me)
Where the end games all the same as every other.
We're only here to die.
(Save me)
I'm losing my only dream.
(Save me)
I can use some guiding light, some place to go.
If you hear me, let me know.

They all know, They all know!

Ever since the day you left my fate's been set unknown.
How many years to walk this path alone?
So much to see tonight, so why'd you close your eyes?
Why can't I shut mine?

Is it something we did?
Is it something we did to them?
Is it something we did!

(Save me)
Trapped in a vile world,
(Save me)
Where the end games all the same as every other.
We're only here to die.
(Save me)

Tonight we all die young!
