Never feared for anything  
Never shamed but never free  
A life to heal the broken heart with all that it could

Lived a life so endlessly  
Saw beyond what others see  
I tried to heal your broken heart with all that I could

Will you stay?  
Will you stay away forever?

How do I live without the ones I love?  
Time still turns the pages of the book it's burned  
Place and time always on my mind  
I have so much to say but you're so far away

Plans of what our futures hold  
Foolish lies of growing old  
It seems we're so invincible  
The truth is so cold

A final song, a last request  
A perfect chapter laid to rest  
Now and then I try to find a place in my mind

Where you can stay  
You can stay away forever

How do I live without the ones I love?

Time still turns the pages of the book it's burned  
Place and time always on my mind  
I have so much to say but you're so far away

Sleep tight, I'm not afraid  
The ones we love are here with me  
Lay away a place for me  
Cause as soon as I'm done I'll be on my way  
To live eternally

How do I live without the ones I love?  
Time still turns the pages of the book it's burned

Place and time always on my mind  
And the light you left remains but it's so hard to stay  
When I have so much to say and you're so far away

I love you  
You were ready  
The pain is strong enough despite  
But I'll see you  
When it lets me  
Your pain is gone, your hands are tied

So far away  
And I need you to know

So far away  
And I need you to  
I need you to know
