Your hazel-green tint eyes watching every move I make  
And that feeling of doubt, it's erased  
I'll never feel alone again with you by my side  
You're the one and in you I confide

And we have gone through good and bad times  
But your unconditional love was always on my mind  
You've been there from the start for me  
And your love's always been true as can be  
I give my heart to you  
I give my heart 'cause nothing  
Can compare in this world to you

And we have gone through good and bad times  
But your unconditional love was always on my mind  
You've been there from the start for me  
And your love's always been true as can be

I give my heart to you  
I give my heart 'cause nothing  
Can compare in this world to you

I give my heart to you  
I give my heart 'cause nothing  
Can compare in this world to you
