Curse of the dead  
Blades of the scythe  
Plotting revenge  
Seething with hate  
Now you will feel  
The reprisals of evil

[Pre-chorus:]  
Terrify  
You will die  
Mortal dread  
Now you're dead

[Chorus:]  
Fallacy - of a blinded mind  
Infamy - killing through time  
Evil plague - darkness in the land  
From the grave - soldiers of the damned

Blood is the fluid  
That oils our machine  
Crushing the skulls  
Smashing the bones  
Thriving upon  
All the screams of the wounded

[Pre-chorus]  
[Chorus]

Devastate all we see  
Barren and wicked world  
Killing all in our path  
For we have always been  
Beneath the curse

[Lead - Marc]  
[Lead - Eric]

Axes to grind  
Sharpen the steel  
Push to the front  
Battle macabre

Driven to slaughter  
With power we kill

[Pre-chorus]

[Chorus]

We are all  
Underneath the curse!
