Mil palabras te podria decir  
To make you come home  
Seems so long ago you walked away  
And left me alone  
Y yo me acuerdo what you said to me  
You were acting so strange  
Quizas fui ciego y no quise entender  
That you needed a change

Was it something I said  
To make you turn away  
To make you walk out and leave me cold  
If I could just find a way  
To make it so that you were right here  
Right now.....

I've been seating here  
Can't get you off my mind  
I try my best to be a man and be strong  
I drove myself insane wishing I can touch your face  
.....but the truth re-mains  
You're gone.....  
Tu no estas.....gone  
No-ooo....gone  
Oh baby girl, baby girl you're.. gone  
No-ooo....gone

I don't want to make excuses baby  
Won't change the fact that you're gone no no  
Pero si algo es verdad mi amor  
Siempre me rindo a tus pies  
El tiempo pasa tan lento baby  
Esa es mi vida sin ti (esa es mi vida sin ti)  
And maybe I can change my everyday  
Pero no puedo mi amor  
So I'll just hang around and find some things to do  
To take my mind off missing you  
Y yo se corazon que tambien sientes lo mismo por mi  
Dime que si

I've been sitting here

Can't get you off my mind ( no puedo mas)  
I try my best to be a man and be strong (ooh)  
I drove myself insane wishing I can touch your face  
... but the truth remains  
You're...gone  
Tu no estas...gone  
No-oo...gone  
Oh baby girl,baby girl you're....gone  
Noo-oo..gone

Dime que puedo hacer  
Si no estas junto a mi  
Dime ni?a que no vez  
Que me muero por ti  
Now that we are apart  
Am I still in your heart  
Ni?a linda que no vez  
Te necesito aqui

Oooh....  
I've been sitting here (sentado aqui)  
Can't get you off my mind ( en falta de tu amor)  
I try my best to be man and be strong (listen to your  
man..)  
I drove myself insane wishing I can touch your face..  
..but the truth re-mains  
You are...gone  
I've been sitting here (sentado aqu?)  
Can't get you off my mind (can't get you off my mind)  
I try my best to be a man and be strong (listen to your  
man ooh)  
I drove myself insane wishing I can touch your face..  
But the truth re-mains  
Your..gone gone gone (you are gone baby girl) gone  
gone gone  
....but the truth re-mains you're.....
