A life of punishment  
Sick in the mind  
A shell of twisted life  
Empty inside  
Thoughts deranged  
Mental scarring  
From the past  
Tears of blood  
Overflowing  
No one cares

[Chorus:]  
Nothing left (but the)  
Scent of death

The voices came to me  
Deep in my dreams  
Eternal promises  
Power unseen  
So tonight  
My assignment  
Is to kill  
I have been  
Captivated  
To the end

[Chorus]

I rise at night like the time before  
My victim's blood spills upon on the floor  
A display of banishment  
No escape from my torment  
I hear the call from beyond the gate  
I am a vessel of my masters hate  
As possession swallows me  
Path of light I cannot see

Obey my overlord  
Forced by his will  
Voices tear me apart  
Bloodlust my vice  
Hearts are cut

From the victims  
Of my rage  
Reasons for  
Seven slaughters  
Are fulfilled

Nothing left  
Final breath  
Of your soul  
Scent of death
