Gettin dirty on my hands and knees
I live like an animal and now I got fleas.
When I do what I do it's a sin
But I like my parties soaked in gin.
What's the use of sayin what you mean?
Just watch yourself and keep your body clean.
Mom says I gotta dirty face
Dad says I'm looking out of place
Dog says I got shit on my shoes.
What am I supposed to do?
Well, that's one. I'm second to none.
And that's two. I don't know what to do.
And that's three. You're tellin me
I'm still a baby.
You say act like I live in a zoo.
I know I don't wanna live like you.
When I go out you won't let me back in.
Climb in the window, I just can't win.
What's the use in sayin what you mean?
Just wash yourself and keep your body clean.
Mom says I gotta dirty face
Dad says I'm looking out of place
Dog says I got shit on my shoes.
What am I supposed to do?
Well, that's one...
