Love is life and life is livin'
It's very special
All my love...

Oh...oh...oh...oh...oh...
(Baby, don't go)
(Baby, don't go) Yeah
(Baby, don't go, uh)
(Baby, don't go) Yeah
(Baby, don't go)
(Baby, don't go) Yeah, yeah
(Why you act like that)

[J-Lo]
It's such a shame, but I'm leavin'
Can't take the way you mistreatin' me
And it's crazy, but oh, baby
It don't matter, whatever, don't phase me

[LL Cool J]
Uh, uh, uh
I don't believe you wanna leave like this
I don't believe I just had my last real kiss
I do believe we'll laugh and reminisce
Wait a minute, don't bounce, baby, let's talk about this,
man

[J-Lo]
Well, I'm bouncin' and I'm out, son
I gotta leave you alone
Cause I'm good holdin' down my spot
And I'm good reppin' the girls on the block
And I'm good, I got this thing on lock
So without me you'll be fine, right?

[J-Lo] + (LL Cool J)
All my pride is all I have
(Pride is what you had, baby girl, I'm what you have)
You'll be needin' me, but too bad
(Be easy, don't make decisions when you mad)
The path you chose to run alone
(I know you're independent, you can make it on your

own)
Here with me you had a home, oh, yeah
(But time is of the essence, why spend it alone, huh)

[J-Lo]
The nights I waited up for you (Oh, boy)
Promises you made about comin' through
So much time you wasted
That's why I had to replace you

[LL Cool J]
Uh, uh, uh
It makes a cat nervous, the thought of settlin' down
Especially me, I was creepin' all over town
I thought my tender touch could lock you down
I knew I had you, as cocky as it sounds
That's the way you used to giggle right before I put it
down
It's better when you angry, come here, I'll prove it now,
come here

[J-Lo]
Stop playin, you gamin'
I gotta leave you alone

[J-Lo] + (LL Cool J)
Cause I'm good holdin' down my spot (Stop actin' like
that)
And I'm good reppin' the girls on the block (Now you
know you need to stop)
And I'm good, I got this thing on lock
So without me you'll be fine, right (Here we go)

[J-Lo] + (LL Cool J)
All my pride is all I have
(Pride is what you had, baby girl, I'm what you have)
You'll be needin' me, but too bad
(Be easy, don't make decisions when you mad)
The path you chose to run alone
(I know you're independent, you can make it on your
own)
Here with me you had a home, oh, yeah
(But time is of the essence, why spend it alone, huh)

[LL Cool J]
People make mistakes to make up, to break
To wake up cold and lonely, chill, baby, you know me
You love me, I'm like your homey
Instead of beef you come hold me
I promise I'm not a phony
Don't bounce, baby, console me, come here

[J-Lo]
Ain't nothin' you can say to me that can change my
mind
I gotta let you go now
And nothin' will ever be the same, so just be on your
way
Go 'head and do your thing now
And there's no more to explain to me, you know
I know your game and I'm feelin' what you do

[J-Lo]
So I'm bouncin' and I'm out, son
I gotta leave you alone, yeah, yeah

[J-Lo] + (LL Cool J)
All my pride is all I have
(Pride is what you had, baby girl, I'm what you have)
You'll be needin' me, but too bad
(Be easy, don't make decisions when you mad)
The path you chose to run alone
(I know you're independent, you can make it on your

You know what I'm sayin'
