Don't ya get tired of them talking about us we talk bad and we talk good you are just making us more famouse just love my fans, i even love the hatters you know im use to it

#### Coro:

Sometimes it just feels that if we weren't Aventura, trabajo en la fritura, you wouldn't speak of us. And all these girls all love us - do they really really love us? Cause in school it wasn't like this y hoy todo cambio

No me conoces solos escuchas mi voz. you don't know me, you haven't spoke to none of us. Como te atreves a llamarme comparon. Yo soy humilde tengo buen corazon. Para llegar a la fama tienes que ser un campeon. We've been booed out of stage and look at us. You can't stop us you can't fade us. I love my fans but fuck the haters. This industry is full of hate and love. Hoy me siento ser el mas popular, pero no olvido mi barrio. Holla back mi gente hermosa que tanto quiero; Dominicano, Puertorriqueño. Gracias a Dios, gracias a Mami, gracias Papa
