It is 5 in the morning and I'm fellin kinda lonley and on top of that I'm horny and , and I need u here with me.Did I mention I can't sleep y si no estas con migo I won't be feelin' right.Today I met your man just smiled and walked away, to knwo how soon his gurl just might become my wife And he's no competition , let me give u a reason You know you do't love him cuz he's not the one You know he's kinda wack and that is so,so sad to see how such a beauty is wasting all her time

(chourse)

No, I know it an't love Lo que tu sientes se llama obsecion Una ilusion, that plays with your mind and makes you take actions and your obsessed that's how it goes.

(2nd verse)

Plus in jiggy in my lexis pase por tu colegio Me informan que te fuiste, going crazy I ran for you Te busque y no te encontraba y eso me preocupaba Para clamar me ansia yo te queria llamar But I didn't have your digits, and your gurl just kept on dissing And I know she must've liked me , me miraba con pasion Baby,baby, I need your love stop frothin and give it up something is going wrong Gonna be your romeo.

(GURL)

No, yo se que no es amor , what your felin for me (what is it..what is it?) se llama obsecion (rip my heart) una ilusion en tu pensamiento que hace hacer cosas asi funciona el corazon.

(3rd verse)

Judy por favor , go tell your man that he gotta go Cuz I'm the one that's gonna stay in control And I wanna be your man, I wanna feel your butt, wanna feel your breast I wanna be the first and last to take you to your bed.
