I'm fed up, with every girl lookin the same
Hit the mall, to find what was the latest craze
Going out, with all the caked on make up
Why they all so vain?

Look at me, my girl is different from the rest
She looks hot, in her pink and purple sweats
This girl's so beautiful to me

Cus she's not
Artificial
Superficial
And fake

She's not your stereo-typical
Hollywood glamor girl
Cus on the surface, I, I think she's perfect
And the simple girl, I love the simple girl

She's worn flip flops, tank tops
She ain't gotta do a lot
To look amazing, I'm going crazy for the
Simple girl, I love the simple girl

Don't take much, for us to have a good time
We can walk to and a movie for the night
On the way, she'll want to stop for popcorn
And a bottle of Sprite

Of course and, we make each other laugh
Once we start, there's no way to hold it back
This girl's like the other half of me

Cus we're so
Compatible
And I'm feeling so
Complete

She's not your stereo-typical
Hollywood glamor girl
Cus on the surface, I, I think she's perfect
And the simple girl, I love the simple girl

She's worn flip flops, tank tops
She ain't gotta do a lot
To look amazing, I'm going crazy for the
Simple girl, I love the simple girl, yeah

She's not your stereo typical
Stereo typical
She's not you're stereo typical
She's my, she's my, she's my

She's not your stereo-typical
Hollywood glamor girl
Cus on the surface, I, I think she's perfect
And the simple girl, I love the simple girl

She's worn flip flops, tank tops
She ain't gotta do a lot
To look amazing, I'm going crazy for the
Simple girl, I love the simple girl, yeah

Woah, woah, woah-oh-oh X3

She's my, she's my simple girl

Woah, woah, woah-oh-oh X3

(She's not your stereo typical
Stereo typical
She's not you're stereo typical)

She's my, she's my simple girl
