For everyone that lost a love one they are in a better place you hear what I am saying these are for my brothers my brothers common My brothers gone but he's not far away in my heart you'll stay every day I know he watching me as I'm on my way as I struggle and strive for a better day for my brothers:(Rap) I'm sitting here stuck trying to turn back the hands of time, ask the lord "Why? my brother had to go, we sposed to grow old and stack doe, we sposed to reach sixty sippin' on some henny point it real live real big real bold see never realized that life could be so closely when you left, I couldn't deal with you death, in peace may you rest, I'm gonna rep it proud, rep it loud just roll lows trying to hold it down theres no hesitation in these movements just cross the mouth piece smoothest, the way he made the ladies yell was ruthless, you're my brother I will always love ya kept it real from the gates, told me to learn from your mistakes, and pump my brakes I was moving to fast my brothers gone but he's not far away hes not far away in my heart you'll stay every day I know he watching me as I'm on my way as I struggle and strive for a better day (this is for my brothers and Abiel) this is for my brothers only for my brothers (this is for my brothers and Abiel)this is for my brothers only for my brother Boss Boss Breakah Nice, hard when you hit me with that, complicating when you dealing with the fact that he left,no ones sposed to know when you take your last breath so we all sposed to fake it he just takes it to death, get up and start to flex start bouncing your chest,think just how you sing when your sposed to sing it the best, cause I see for retribution, I cant settle for less, gang bang is a must, so we bust we finess, and more anxious when we hallah pimp and squat in parlors hotties big bad Polys acting naughty poppin collahs cruches made by dollahs as they crush and we follow, brother who get crushed as we rush thought the tests we the best thanks for street sweeping up the mess, families on our tail just trying to get us to confess bouncing through the flesh on some bone doe pass it no moe pakalolo yeah we high fuck the rest My brothers gone

but he's not far away in my heart you'll stay every day I
know he watching me as I'm on my way as I struggle
and strive for a better day I call ohh lord?? This is for
my brothers only for my brothers and Abiel, This is for
my brothers only for my brothers This is for my
brothers only for my brothers, This is for my brothers
only for my brothers We come from lolo trying to Ride
to the phone on their backs We come from lolo pump
some iron get some weight off the racks We come
from lolo poppin collahs squattin back to back We
come from lolo in the jungle that's a skirt on the back
We come from lolo make life easy and fire up a sack
We come from lolo money scales cumulating our
stacks We come from lolo we got your bisness pay
back We come from lolo we tough niggah show them
the facts (I miss my bother in the morning I miss you in
the evening time I miss you at the break of dawn I miss
you all the time) I miss I miss I miss I miss I miss I miss I
miss my brothers (I miss my bother in the morning I
miss you in the evening time I miss you at the break of
dawn I miss you all the time) I miss I miss I miss I miss I
miss I miss I miss my brothers (I miss my bother in the
morning I miss you in the evening time I miss you at the
break of dawn I miss you all the time) I miss I miss I
miss I miss I miss I miss I miss my brothers (I miss my
bother in the morning I miss you in the evening time I
miss you at the break of dawn I miss you all the time) I
miss I miss I miss I miss I miss I miss I miss I miss my
brothers (I miss my bother in the morning I miss you in
the evening time I miss you at the break of dawn I miss
you all the time) I miss I miss I miss I miss I miss I miss I
miss my sister (I miss my bother in the morning I miss
you in the evening time I miss you at the break of dawn
I miss you all the time) I miss I miss I miss
I miss I miss I miss I miss my brothers For all that lost a
love one it's a better day it's a better day yahll
