1st verse

I've been waiting for this moment
I've been waiting all my life
Finally it's coming together
Finally I see the light
When I saw you sitting there
I knew my life was about to change
Heaven must've sent me an angel
Cause I been flying ever since

(chorus)

Now I'm all ready to fall
Down on my knees for you
And I'm all ready to fall
In your eyes
I'm all ready to fall
Down on my knees for you
And I'm all ready to fall
For the rest of my liiife

2nd verse

Since I met you
You're all I think off
I think about you day and night,
All my friends they worry about me
If I'm gonna be alright
When I knew the minute I saw you
Sitting there all alone
You were gonna change me forever
I was finally coming home,

(chorus)

(breakdown)

You're the only one
That I'll ever need
(ever need)
You're the apple of my eye,

You're the sweetest soul
That I've ever meet
(ever meet)
And no one can deny
When I found you I've given up
Then you walked into my life
Then you walked into my liiiiife...

Ohhh ahhhhhh whoaaa ahhh,

(chorus)
