Ummm ohhh ummm.. Check it now I am hanging on the late night ready for you to hit me up got my top down waiting in the mood light so I can come and swoop you up, thinking of what were gonna do tonight I'm finna hit you up. Doing what ever your heart desires when you open up the door and walk in my life steadily I am sensing you you know you looking fine I cant take no more I lace my boots up tight girl give Aziel a try to get your love tonight Now you're walking out that door with your sexy skirt on Damn I wanna rip it up But my mind is playing tricks on me cause I want to see more of your bodies curves and up your long dark brown hair got me fantasizing fantasizing for what ever you want my love I will do for you _____ when you open up the door and walk in my life steadily I am sensing you you know you looking fine I cant take no more I lace my boots up tight girl give Aziel a try to get your love tonight just a taste of what your gonna get I know your feeling me baby just come here give me some give me some give me some of you love 2x when you open up the door and walk in my life steadily I am sensing you you know you looking fine I cant take no more I lace my boots up tight girl give Aziel a try to get your love tonight when you open up the door and walk in my life steadily I am sensing you you know you looking fine I cant take no more I lace my boots up tight girl give Aziel a try to get your love tonight when you open up the door and walk in my life steadily I am sensing you you know you looking fine I cant take no more I lace my boots up tight girl give Aziel a try to get your love tonight
