Rod:

It sure can get lonely at night. Nicky, you awake?

Nicky:

Uh Is that a unicorn?

Rod:

Uh. He's talking in his sleep again

Nicky:

No I'll wear the purple shoes at... who painted the kitten?

Rod:

Maybe I should just shake him.

Nicky:

I love you Rod.

Rod:

What did you say?

Nicky:

I love your little laugh.

Rod:

Nicky, are you awake?

Nicky:

Take off your shirt.

Rod:

Oh, Nicholas. Have you been shy all this time?

Have we been hiding from each other?

I wonder,

All those nights I lay in bed

Thoughts of you running through my head.

Nicky:

I know put my earmuffs on the cookie.

Rod:

But I never thought the things in my head
Could really happen in my bed.

Nicky:
You look like David Hasselhoff.

Rod:
All those years I missed the signs,
Couldn't read between the lines.
Who'd have thought I would see the day
Where I'd hear you say
What I heard you say
And now I find
What was always in my mind
Was in your mind too
Who knew
Fantasies come true
And now I see
That what I'd always dreamed of
Was meant to be
You and me
Me and you
Fantasies come true

(musical interlude)

Rod:
You and me lived in fantasy
But soon will be a reality.

Princeton:
Kate, that was amazing.

Kate:
Your amazing.

Princeton:
Heh, I want you to have this.
It's a penny I carry around with me for good luck.
It's from the year I was born, see.
Who knows, maybe it'll bring you good luck.
It did for me, I found you.
I want you to know
The time that we've spent
How great it's been
How much it's meant.

Kate:
Gosh, i don't know what to say.
I'm really glad you feel that way,
Cuz I'm afraid that I like you more

Than I've ever liked any guy before.

Rod:
Cuz now

Kate:
Cuz now

Rod:
My love

Kate:
My love

Kate and Rod:
I'm getting what I've always been dreaming of

Rod:
So are you

Kate:
Ooh baby

Kate and Rod:
Fantasies come true

Kate:
And now

Rod:
And now

Kate:
I swear

Rod:
I swear that

Kate and Rod:
When you want me I'm gonna be right there

Rod:
To care

Kate:
To care

Kate and Rod:
For you.

Kate:

That's what I'm gonna do

Rod:
Make your fantasies

Kate:
Fantasies

Kate and Rod:
Come true

Rod:
Fantasies come true

Nicky:
Uh hey, Rod, buddy, hey you're talking in your sleep

Rod:
I thought you were talking in your sleep.

Nicky:
No, I'm just coming to bed,
You're dreamin' is all

Rod:
Oh!

Nicky:
Sounded like a nice dream though.

Rod:
Yes, it was a nice dream.

Nicky:
Goodnight!

Rod:
Goonight, Nicky.
