"Love Me Or Let Me Go"

Love me or let me go, go go
Love me or let me go, go go!

Stuck, stuck in your picture perfect fantasy world.
Keep run in circles in your merry go around
So for once, don't try to tell me which way to go,
Whoaa oh
I'm gettin tired of trying to fit your description
Of that girl, she's so barbie she's so fiction.
Wake up, your mind is somewhere stuck in a dream
Whoaa oh
I'm suffacating I need to know

Chorus
If this isn't real, gimme back all my kisses
I shoulda kept them for somebody else
Baby I'm real, I'm not your plastic princess
Maybe you need to get over yourself
I'm not that naive
There's more underneath
Love me or let me go
Oooh love me or let me go
Ohh Love me or let me,

Go go, I'm over your charades so,
It's game over, unless your coming to your senses,
So, step down from your pedestal, oh whoaa
Love me or let me go

Your sellin lies by the dozen I'm not buying them,
Your stores goin out of business so you better (better)
Make up, make up your mind oh whoaaa
I'm breaking down and I need to know

Chorus
If this isn't real gimme back all my kisses
I shoulda kept them for somebody else
Baby I'm real, I'm not your plastic princess
Maybe you need to get over yourself
I'm not that naive
There's more underneath

Love me or let me go

And you know there's been 2 many wrongs so,
Boy get down on your knees if you want me,
Yeah you better treat me right if
You wanna kick it with me.

(Love me or let me go, go go)
You wanna kick it with me
(Love me or let me go, whooa oh)
Boy get down your knees
(Love me or let me go, whooa oh)
I'm lettin you know.

Chorus
If this isn't real gimme back all my kisses
I shoulda kept them for somebody else
Baby I'm real, I'm not your plastic princess
Maybe you need to get over yourself
I'm not that naive
There's more underneath
Love me or let me go
