Our order mocked  
And cast aside  
This birthright realm,  
To a son of clay  
Reclamation of our  
Lost prominence  
Behold a vacant throne!

Wretched! Loved by our hate!  
Weeping to a light finally failed  
Fall upon our spears  
And give praise  
We reward faith with  
Sanguine blessings  
Consent to kneel  
And find a winged king!

Bear witness to the  
Triumph of the wing and blade!  
A new reign of tyranny  
In the absent lord's domain

Speak no more!  
Of spoiled conquest  
Ashen in your mouth!

Listen not!  
To blind supplication's  
Damnation!

To wield the faith  
To conjure and kill  
Mere tools with which to reign?

Insane and lost  
The sovereign fell  
And left us to decide

Let them drink of the cup  
And taste the fire  
Let them eat of the flesh  
And be poisoned within

Injurious glory  
Perilous acclaim  
Lost prominence regained  
A coronation of murdered souls  
To this... are we condemned
