Rotten staff  
My Sceptre  
Sword of might  
Swath Cutter  
Shining Pestilence

Piercing storms  
Heralding  
Open Gates  
To the Stars

Revel in the spirit  
On the road to hell  
Ashes of the world  
Scattered in the wake  
What then in the coming of the morn?

Winds of Hunger  
Ancients Rage of Centuries  
Enfolding Thrice  
Onto Selves  
Etched outward in Time

Sand and Soil  
Beneath my Claws  
A Lion's Roar  
Endless Choir  
Comet Eyes ever-burning  
Cauterizing  
Souls

When all your wishes are granted,  
Many of your dreams will be destroyed!

What was I like when I was "I"?  
When I was alive?

I live in the memory of others,  
Not my own  
They remember for me  
They try to remind me  
I am the Mire

I am Effigy  
And into myself, I sink

I am turning to stone  
Forever a Mask  
Forever a Husk

My Kingdom surrounds me  
Yet is hidden from my sight

Inner War in Eternal Wonder

Disappear in  
Fire  
Blood and Darkness

I am the Key to Obliteration  
Mandalora  
Body without Spirit  
Spirit without Flesh

There are two of me:  
One who Loves  
One who Kills  
I rise and become Negative.
