avias seay 2011 "Belize"

opening:

Life's so overwhelming i cant take no more  
stress trying to overcome and life is a bore  
dream paradise only to wake up disaster  
money money money something everyone is after

verse1:

So i packed my bags didnt where to go  
i dont know where you going but im leaving for sho  
gotta book a flight dont want a soul to know  
cause i need a vacation shopping and galour  
i just stepped outside with my calvin klein jeans  
sunny day aint a promise amazing is evening  
i just checked the forecast on my touchscreen phone  
i turn around and lock the door time to adventure on  
stepped into the cab like i got a million bucks  
yes i only got 300 but its like what the f\*\*\*  
i dont have nothing to lose my family is like insane  
friends getting overcrowded but thats me to blame

chorus:

I watched so many magazines vacation on t.v. screens  
this is where i want to be traveling to belize  
where the dolphins roam this is beauty's home  
where positive can embrace me negative leave

verse2:

The cab... arrives at the airport  
having thoughts of turning back but im really bored  
i have never traveled so far away from home  
and this flight its just me like um all alone  
but i know the circumstances and i need a clear mind  
gotta leave all this chaos back at home yo behind  
so i make my final decision and i get on the plane  
i know in a few hours things wont be the same

chorus: (2X'S)

I watched so many magazines va-ca-tion on t.v.  
screens  
this is where i want to be traveling to belize

where the dolphins roam this is beauty's home  
where positive can embrace me negative leave

verse3:

flying over the gulf i done left back my worrys  
stress flew out the window we like 3000 storys  
i feel so good and to god all the glory  
just happy i was able to live and tell this story  
um looking down where atlantis awaits me  
belize is beautiful and the sun is blazing  
didnt get any rain but rain upon me  
cause money aint nothing when you in belize

chorus: (2X'S)

I watched so many magazines vacation on t.v. screens  
this is where i want to be traveling to belize  
where the dolphins roam this is beauty's home  
where positive can embrace me negative leave
