Chorus:

Yo, I'm at the b.p. off memorial, the b.p. off memorial  
Y'all want my lo-cation um chillen with a girl name gloria  
I might just get some gas, might just re-up on my stash  
Mixtape sells, um bout my cash, la-ter tonight a club  
bash

Verse1:

When they text me on my celly I tell em I'm at b.p.  
They ask me what's going on tonight I tell em ride up  
here and see  
Dj whitegirl posted up with the new cds on the table  
So many hot tracks might as well gone head and start  
her own label  
Hood girls with piercings in navals, fly boyz I aint telling  
fables  
My niggaz squad up in club kathleen but I wasn't able  
I just like to lay low, chill at the local hood store  
Ball out with da bombs, watch they tempers just blow  
As long as I'm around niggaz don't consider them poor  
Me another drink as I watch, the traffic just flow  
If you a foreigner this my turf so you should know  
We consider you a novice but the locals a pro  
I got my slushy in hand, sunflowers seed from japan  
Might cop some homestyle cajun boil peanuts in the  
can  
I might grab a six pack, watch the arabs and sit back  
Friday nights parked in the back blasting the lac

Chorus (2x's)

I'm at the b.p. off memorial, the b.p. off memorial  
Y'all want my lo-cation um chillen with a girl name gloria  
I might just get some gas, might just re-up on my stash  
Mixtape sells, um bout my cash, la-ter tonight a club  
bash

Verse2:

Yep I just spotted a classmate I think they call her  
katrice  
Just got a car wash and some gas on, pump three  
Swagged out like a dog gone and give me my fleece  
A nigga might live in lakeland but in my mind I'm in

greece  
Got so much money I can wipe my butt for days  
Wipe 20's, 100's damn there go somebody escalate  
Niggaz all around the dump in the back play-ing  
spades  
Cops about to bust the block with all these charades  
Down the street yo it's feltons 3 more mins you hit  
gyros  
When the club close down niggaz go stuff they pie  
holes  
Here come them selling fake jewelry, but I want some  
real gold  
I like that piece with the rosary so consider it sold  
You need sharp rims go to spikers, they'll put them on  
faster than bikers  
Yo I stay on my grind I consider the rest of yall slackers  
It's where the cds be free, open 7 days of the week  
Everything in one location only at the B.P.

Chorus: (2x's)

I'm at the b.p. off memorial, the b.p. off memorial  
Yall want my lo-cation um chillen with a girl name gloria  
I might just get some gas, might just re-up on my stash  
Mixtape sells, um bout my cash, la-ter tonight a club
