Intro: avias seay

da rap nemesis

I-town

Verse1:

I'm standing out getting paid
Drop from head them fly gucci shades
Playing all haters like wack deck of spades
Music all genre don't restrict a certain age
Stay so fly they gotta lock me in a cage
Bring on yall lyrics yo yall think I'm afraid
Might have courage but I aint cowardly in many ways
People wish they was me... now adays
Coming up to me "avias wassup hey"
Didn't know me then so don't know me now
O.m.g yall keep talking so it's duck tape for your mouth
Don't know how to rap let me show you how
I'm just trying to rep da L reppin for downsouth

Chorus:

Don't be mad cause I'm hot and you not
Yo music cool but mines hit the spot
Used to rap a little now a rap a lot
Um bout to take off like a robot

Verse2:

Oh I heard yall want to see about me
Catch me on the corner mlk in the street
Posted up, red, yellow, cup filled with strong martini
Snatchin like tae bae bae make you drop down to your
knees
Catch me later on across the world yachets in belize
Against the law to make dumb tracks I run in studios
like freeze
I just live life everyday like so care free
Be optimistic have fun to every degree

Chorus:

Don't be mad cause I'm hot and you not
Yo music cool but mines hit the spot

Used to rap a little now a rap a lot
Appreciate me now be glad I'm all yall got

Don't be mad cause I'm hot and you not
Yo music cool but mines hit the spot
Used to rap a little now a rap a lot
Appreciate me now be glad I'm all yall got
